

ADVERTISING SPECIAL!!!!

The Chamber continues to produce one of the areas's most widely read monthly business newsletters AND our popular Website, featuring area attractions, shopping, dining and "all things Dade City".

We focus on local business news, member articles, upcoming events and featured community awareness.

Thus, we have developed a two pronged advertising approach...***both print and electronic media!***

The production of one message, and one brand – shared with our readers and web visitors gives a double advantage in your brand awareness and exposure to potential and existing clients and customers.

Our well read monthly ***print newsletter***, and colorful ***online newsletter*** are great compliments to our redesigned and ***highly visited website***. Your ad goes to all mediums and will enjoy a positive number of impressions from multiple users.

Please consider taking advantage of the "dual offer" as part of your marketing plan by filling out the attached (reverse side) marketing agreement and mail, fax scan it, or drop by the Chamber office. If you have any further questions please call us at 352-567-3769.

Sincerely,

John Moors
