### Member Testimonials

From the point of view of a long time merchant in Dade City I support & appreciate our Chamber of Commerce for the diversity of its capabilities to promote Dade City, and it's close partnership and support of the downtown merchants. I believe cohesive communication is the key and the Chamber excels here. *Dale Anne Laumer, Ivy Cottage Antiques and Wines*

John, I just wanted to thank you and The Greater Dade City Chamber for the leadership displayed within our City. As a member for the last 16 years I believe The Greater Dade City Chamber of Commerce has been the arm that reaches out for all the small business that are unable to do this alone. The business climate in Dade City today is strong and vibrant and I believe the major contributor for this success is The Greater Dade City Chamber. Again, thanks for all you do. *Jim Hendry, A Matter of Taste*

We would like to thank The Greater Dade City Chamber of Commerce for assisting Entangle Media's move into Dade City. John Moors and the Chamber team did a great job of showcasing the city, and taking the lead role in our decision to choose Dade City. The coordination between the Chamber, Dade City Officials, Pasco Economic Development Counsel, and SMARTstart Business Incubator region is very impressive, and the key to making our thought of relocation into a reality, in a very quick time frame. Entangle Media has a very experienced team with online marketing, web design, web development, app development and social media. We could have chosen anywhere in the region, but have been very happy about the move to Dade City. It has been a great place to live, work, recruit employee, entertain, and for outdoor recreation. The combination of small town living, with big city conveniences, rural rolling hills, great bike trails, and coordinated economic team should be an attractive combination for any company. *Mark Pinson, Entangle Media*
